1 Safety Rules

2 General

2.1 Goal and Scope of the House Rules

These House Rules supplement the Bylaws with regards to rules and conditions contributing to the day-to-day functioning of the association. Members (including the board) and Recreationists are tasked with knowing the contents of this document and following the described rules, which will be surveyed by the board.

2.2 Behaviour

The NHB provides additional regulations regarding behavior and rules at competitions, which have to be followed by all archers at NHB competitions. Further regulations about safe behavior on the shooting range, as well as general competition rules, are part of the Contest Rules and the Safety Rules. Archers are always required to behave in accordance to the Safety Rules, which the board and trainers will survey.

Members and Recreationists are obliged to try and keep the association going as best they can and are obliged to behave appropriately and to not embarrass Da Vinci (as long as they are in direct association with Da Vinci).

While not mandatory, assistance at and supporting activities organized by the association is appreciated.

2.3 Clothing Rules

At regional and team competitions, organized by the NHB, (non-External) Members are required to wear a club shirt, together with a black pair of pants without any markings. This rule also applies if one is representing Da Vinci, for instance during the intro, the Beginners' Course or at another competition where one is using the Da Vinci name, or present with a larger team from Da Vinci. 2.6 Validity of the House Rules

145 The House Rules will be declared invalid upon dissolution of the association, or when the Bylaws are changed. Upon changing of the Bylaws, the House Rules have to be re-approved to make sure that they are not alien to the Bylaws. 2.7 Availability of the House Rules
