List of Definitions

Definitions can be recognized by the capital letter at the start throughout this document. Board Member roles are also spelled with a capital (Chairman, Secretary, Treasurer)

GA General Assembly or General Members Meeting (ALV)

BM Board Meeting (BV)

Workshop

An event organized for an external party, with an aim of presenting the sport to outsiders. If desired it is possible to try out archery under guidance of experienced archers.

ESSF

Eindhovense Studenten Sport Federatie (Eindhoven Student Sport Federation)

HR House Rules (this document)

NHB Nederlandse Handboog Bond (Dutch Archery Federation)

SSC Student Sports Centre Eindhoven (also SSCE)

TU/e

Technische Universiteit Eindhoven (Eindhoven University of Technology)

Safety Rules

The Safety Regulations of E.S.H. Da Vinci can be found in this HR under Chapter 1.

Administrative Regulations

Document detailing the actions that the board needs to take during the year.

Bylaws

Articles of Association for Da Vinci ("Statuten")

Contest Rules

Document stating regulations for Contests and Competitions.

Annual Report

Document detailing the actions of the board during the previous year.

Member

Archers that are members of the E.S.H. Da Vinci association. Members are required to have a sport card from the SSC.

External Member

Archers that are members of the E.S.H. Da Vinci association, but are NHB member through another club.

Recreationist

Archers that are allowed to take part in trainings. Recreationists are required to have a sport card from the SSC.

Beginner

Participants to the Beginners' Course

Beginners' Course

Course given to beginners during the year.

Guest

Guests of Da Vinci, this includes beginners, workshop participants or interested parties.

Honorary Member

Special title given to an archer by the GA for services to Da Vinci.

Experienced - Inexperienced

The board determines if archers are experienced, or inexperienced depending on their safety level and skills.

135 Supervisor

Someone instructing inexperienced archers, ensuring safety. Supervisors are: Board members, official trainers, competition leader(s), and members appointed by the board.

General Training

Training given by the trainers during a defined time.

140 Accommodation

Our accommodation ("Aan de Meet") consisting of the Shooting Range, Outdoor Range and the Club Room.

Club Room

Also known as "het hok". It's the lockable area/room in the back of the shooting range, assigned for use by E.S.H. Da Vinci.

145 Association Year

Parallel to the financial year; starting September 1st and ending the 31st of August.

Shooting line

The line, marked on the floor, from where the archer shoots his arrows towards the target.

"Behind the line"

150 The side of the line where the targets are NOT placed.

Waiting line

The line placed behind, and parallel to, the shooting line. Only supervisors, trainers and participants currently shooting their turn are allowed to be in the space between the shooting line and the waiting line.

Downrange of the line

155 The area on the side the line where the targets are located. Opposite of "behind the line".

1 Safety Rules

The shooting range is a safe place, provided that safety rules described here are followed. Every archer must know and observe these rules. We also expect archers to ensure others abide by these rules.

160 Archers violating these rules may be removed from the shooting range.

1.1 General

1. Archers must at all times use common sense and observe the safety of everyone.
- 165 2. All archers must immediately follow safety related instructions from supervisors. The correctness of such instructions is not open for discussion until the instructions have been complied with.
3. Inexperienced archers are only allowed to shoot under supervision, and should strictly follow all instructions from their supervisors. Experienced archers are allowed to shoot unsupervised.
4. Aiming a bow at persons or animals is strictly forbidden (even without an arrow on the bow).
5. When drawing and/or shooting the bow, the angle of the arrow with the ground (elevation) may never exceed 30°. Shooting straight up is strictly forbidden.
- 170 6. A drawn bow without an arrow on it may never be released. Doing so may cause the bow to shatter, causing injury and/or damage.

1.2 Shooting Protocol

- 175 1. Bows may only be drawn at the shooting line, and only when aimed in the direction of the targets. This also holds when there's no arrow on the bow.
2. Arrows may only be placed on the bow when at the shooting line. The arrow tip must always be pointed in the general direction of the targets, or the ground.
3. Archers may only take place at the shooting line when there is no person downrange of the shooting line **and** (for the indoor range) the back door is closed. Until that time, they must wait behind the waiting line.
- 180 4. During shooting only active archers and supervisors may be at the shooting line. Everyone else, including archers who finished shooting, must wait behind the waiting line.
5. If, during shooting, anyone is found to be downrange of the shooting line, or (for the indoor range) the backdoor is found to be open, all archers will immediately stop shooting. Shots are aborted, not finished, and the arrows must be removed from the bows.
- 185 6. When all archers have finished shooting, everyone may fetch their arrows collectively.

1.3 Ranges

1. There may be no objects (such as targets or scoring boards) on the floor within 3 meters of the target wall.
2. There will be no running, jumping, pushing, etc. on the range. Reckless behavior is prohibited.
3. Bows should be put in the designated areas, or in the bow rack.
- 190 4. Spectators are not allowed downrange of the waiting line, unless explicitly permitted by supervisors.

1.4 Outdoor Range

1. Archers are required to wear closed shoes on the outdoor range to protect against obscured arrows stuck in the grass.
2. Archers who are shooting on the outdoor range must pay extra attention that all archers have returned after fetching their arrows, including those shooting at the 70 or 90 meter targets.

2 General

2.1 Goal and Scope of the House Rules

These House Rules supplement the Bylaws with regards to rules and conditions contributing to the day-to-day functioning of the association. Members (including the board) and Recreationists are tasked with knowing the contents of this document and following the described rules, which will be surveyed by the board.

2.2 Behaviour

Members and Recreationists are obliged to behave appropriately and to not embarrass Da Vinci as long as they are in direct association of Da Vinci. This includes that archers who participate in external competitions will show good sportsmanship, follow up the (safety) rules and regulations for that competition.

While not mandatory, assistance at and supporting activities organized by the association is highly appreciated.

Further regulations about safe behavior on the shooting range, as well as general competition rules, are part of the Contest Rules and the Safety Rules.

2.3 Clothing Rules

At regional and team competitions, organized by the NHB, (non-External) Members are required to wear a club shirt, together with a black pair of pants without any markings. This rule also applies if one is representing Da Vinci, for instance during the intro, the Beginners' Course or at another competition where one is using the Da Vinci name, or present with a larger team from Da Vinci. At NHB competitions, the NHB regulations for clothing should be followed as well (and thus black jeans are not allowed).

2.4 Incorporation of the Association

The association is incorporated at the Kamer van Koophandel under number 17174167. The association is also a member of the ESSF, based at the SSC, and the NHB under number 1364.

2.5 Changes to the House Rules

Proposals to change the House Rules shall be submitted at least 14 days in advance of the next GA by at least three Members, or the board. An overview of these changes will be communicated by written notice by the board at least 7 days in advance of the GA. Proposed changes to the House Rules will only go into effect after they have been approved by the GA. Changes in the Safety Rules can be implemented directly by the board, without GA approval, as they improve safety. Changes to the Safety Rules have to be discussed in the next GA.

2.6 Validity of the House Rules

225 The House Rules will be declared invalid upon dissolution of the association, or when the Bylaws are changed. Upon changing of the Bylaws, the House Rules have to be re-approved to make sure that they do not contradict the Bylaws. The House Rules should be checked at least once a year for inconsistencies with day-to-day rules, and updated if necessary. New rules decided upon by the GA should also be added to the House Rules.

2.7 Availability of the House Rules

230 At least one printout of the House Rules and Bylaws should always be present at the training location. Every Member and Recreationist is entitled to review these regulations, to make sure that nobody can claim unfamiliarity with these rules. The House Rules and Bylaws should also be available on the E.S.H. Da Vinci website.

2.8 Fines and Suspensions

235 Whenever an Archer infringes upon one or more articles from the Bylaws, House Rules or Safety Rules or in case of infringing upon regulations based on the rules described in these documents, the board can punish the violator with a fine and/or suspension. The severity of this measure will be determined depending on the specific infringement. In case of disagreement between the board and the violator, the matter will be mediated by a GA.

2.9 General Assembly

2.9.1 Organization

240 The board is obliged to, as stated in the statutes, organize a GA at least once every year. The board shall provide an agenda and invitation and send these together with the announcement of the date of the GA. The GA is convened by written notice to the persons entitled to vote within a period of at least seven days.

2.9.2 Voting

245 The voting or poll takes place as a rule by show of hands and in person, or by proxy (you can vote by proxy for only two Members). If the board, or at least one Member or Recreationist deems it desirable, the chairman may decide to a written vote or poll, in accordance to Bylaws Section 12.4. If a vote or poll concerns people (for instance the choosing of a new board), it shall always be a written vote.

250 In the event of a written vote, the chairman designates a voting committee consisting of two members. The board provides authenticated voting papers. The numbers of voting papers handed in must be equal to the numbers of voting members present. The committee counts the votes and checks the validity of the votes. The committee will announce the result of the vote to the GA.

255 A voting ballot shall be declared invalid in case of the following: it is signed, it is not marked by the board, unreadable or if it contains a choice that was not part of the set of choices that is currently being voted on.

3 Members and Recreationists

3.1 Requirements

All Members and Recreationists are required to conform to the SSC rules for joining sports associations, including, but not limited to, the rule requiring a valid student sport card.

3.2 Contribution

Members and Recreationists should pay the contribution as determined yearly by the GA, before the deadline indicated by the board. If a Member or Recreationist has not done so, the board is permitted to undertake the actions as described in the Bylaws.

The contribution is as follows (2019):

1. Members pay €75,- This includes the NHB contribution, which will directly be paid by Da Vinci
2. External Members pay €40,-
3. Recreationists pay €40,-

Honorary Members can pay €35,- for the NHB membership fee through Da Vinci. Honorary Members can shoot at Da Vinci for free.

It is also possible to become a financial donor, as specified in the Bylaws Section 6. The minimal donation to become a financial donor is €20,-.

4 Board

More information about the actions that the board needs to take are detailed in the Administrative Regulations.

4.1 Communication

4.1.1 Between boardmembers

The board has to hold meetings as often as the chairman or two other board members find this necessary. The board needs to meet at least once every month.

4.1.2 To the association

The board needs to communicate all information that is important for members and recreationists and the association, to all members, recreationists and trainers. All general notifications need to be posted on the website. Personal messages need to be emailed to the person in question, such that they can be archived. Official documents, such as GA Agenda, Minutes, etc, need to be communicated per email.

All upcoming activities and up to date training times need to be published on the website. General announcements, updates about upcoming activities and urgent changes in planning will also be communicated via the main communication method, currently the Da Vinci Info App in the Whatsapp application (2019).

4.2 Opening and Closing

The board is responsible for opening and closing of the accommodation on club evenings. Exceptions to regular opening times must be communicated via the website and other main methods of communication at least one week before the exception. The board is allowed to close early if:

1. There are no active archers on the shooting range.
2. They have notified the early closure on a main mode of communication.
3. There are no objections within 30 minutes after notification.

4.3 Election

A new board is elected during a GA. At least three weeks before the GA, the board will notify all Members and Recreationists with a prior notification that a GA will be held where a board will be elected. Candidates must apply for a board position by written notice to the secretary of the board within one week of the prior notification. The board will make the candidates known at the time the agenda for the GA is send. Only Members may be board candidates.

If there are enough candidates to fill all required board positions by the end of the regular application period, the board will not accept new applications.

4.3.1 Insufficient Candidates

If there are not enough candidates to fill all required board positions, the board will notify all Members that the application period is extended to the start of the election vote of the GA.

If the candidates are not chosen to be board members by the GA, Members can apply for a board position during the GA. If enough candidates are found and a board is chosen it can be installed at the same GA. If no board is chosen, the current board will remain installed.

4.3.2 Inability to Elect a Board

If no new board is elected at the GA, the effective board is entitled to suspend all activities including training, free practice and all other club activities until new candidates are found. The board is obligated to organize a GA with the intent to elect and install a new board as soon as enough candidates have applied.

If no new board can be found within three months after the original GA, the board is entitled to organize a GA with the purpose to either elect and install a new board or, if no new board can be found, initiate the termination of the association.

4.4 Annual Report

The board is required to deliver a Annual Report at the end of their board year. This Annual Report needs to be discussed and approved at the yearly GA. In this Annual Report the board lists all decisions/changes made in the last year, as well as their accomplishments for the association. It should also include a vision for the future of the association.

5 Committees

325 5.1 Establishment

The board can establish a committee with a clear task description by communicating its establishment at a GA or by using a written notice, sent to Members and Recreationists, which includes the task description. This written notice will include the initial committee members.

5.2 Dissolution

330 5.2.1 Dissolution by the board

The committee can be dissolved by the board or GA when they have decided that its task is accomplished or obsolete, or if all tasks have been distributed over other committees (or the board). When a committee is manually disestablished, the board will send a written notice of dissolution to all Members and Recreationists.

5.2.2 Dissolution upon task completion

335 The committee can also be dissolved automatically, if this was decided at establishment. These committees will be automatically dissolved after they have accomplished their tasks, and are used for one-time events. When such a committee has completed their tasks, a written notice of dissolution will be sent to all Members and Recreationists by the board.

5.2.3 Dissolution notice

Dissolution notices for committees should contain when the committee will be dissolved and a final report about their tasks.

340 5.3 Structure

Every committee has a chairman, who is responsible for presenting results to the board and maintaining order and effective task execution within the committee. Every committee will also be appointed a board member as a board contact, who will serve as a first contact point, and will stay up to date with current committee tasks.

5.4 Reporting

345 Committees are tasked with reporting their status to the board before every GA. Committees also have to report their status to the board when asked. Committees can present regarding their committee at the GA, provided they provide their report to the board at least 14 days before the GA, such that it can be archived.

5.5 Committee members

5.5.1 Joining

350 Both Members and Recreationists can join committees after approval of the committee chairman. The board or GA can object to new committee members, provided that they supply both the joining member, as well as the committee itself of a written reasoning. The committee chairman is responsible for informing the board when members has requested to join committees.

5.5.2 Leaving

355 Committee members can leave their committee after they have completed or transferred all their tasks. If tasks cannot be transferred to other committee members, the leaving member will have to complete their task first. The committee chairman is responsible for informing the board when members have requested to leave and can decide if one is allowed to leave the committee.

360 The board or GA can also force members to leave committees, provided they supply both the leaving member, as well as the committee itself of a written reasoning.

5.5.3 Disputes

In case that disputes arise between the board and committees (and its members), the GA will mediate.

5.6 Budgets

365 Committees have to pass every planned purchase by the Treasurer, who will approve or deny requests. Planned purchases totaling to more than €100,- require a Budget to be submitted to, and approved by the board. Budgets totaling more than €350,- have to be approved by the GA.

5.7 Workgroups

370 Committees may have workgroups, which can have members from outside the committee, to take care of a very specific task. These workgroups have a chairman, who is in the committee as well, and reports to the committee. Budgeting, reporting, joining and leaving go through the committee.

6 Finances

6.1 General

375 The board is responsible for keeping track of all income and expenses in the financial administration. They are also required to submit the Budget, Balance and Realization to the GA for approval.

6.2 Club money box

The club money box is the responsibility of the Treasurer and he/she must ensure that money is only borrowed to purchase goods for the club.

6.3 Archival

380 The Treasurer is also responsible for making sure that receipts and invoices are kept for all purchases, both cash and digital. The Treasurer is also responsible for keeping track of declarations, and making sure they are signed.

6.4 Purchase of Goods

385 The board can purchase goods for the club. Board members can spend a maximum of €50,- without consultation of the other board members. A board majority is necessary to approve a purchase of more than €50,-. In this case the purchase must be discussed and decided on during a BM. If a purchase exceeds €350,- the purchase needs to be approved through a GA.

6.5 Financial Committee

The Financial Committee is appointed by the GA to check the execution of the financial policy by the board. It checks the administration of the Treasurer to ensure correctness, traceability and adherence to the submitted Budget. The Financial Committee consists of two committee members. They will be appointed during the GA. One backup committee member will also be appointed.

7 Club Materials

7.1 Definition

Club Materials include bows, arrows, personal protection material, spare parts, (outdoor) targets, target faces, other material owned by the club and are used for archery.

Club Materials can be used by any person who is permitted by the board to use the materials. The board can always limit usage of Club Materials if needed. The Club Materials are primarily used during the Beginners' Course and Workshops, other usage is permitted only if this activities are not compromised.

7.2 Maintenance and Repairs

7.2.1 Beginners' Course and Workshops

During the Beginners' Course and Workshops, trainers are responsible for inspecting the material for damage at the beginning and end of each training or workshop. Damaged materials must not be used until repaired if safety is compromised. The usage of club materials outside the Beginners' Course and Workshops is regulated according to Section ??.

7.2.2 General

The board is responsible for periodic and corrective maintenance of the Club Materials to ensure the materials are safe to use. The board can delegate maintenance to the Material Committee.

7.2.3 Damages

In case of any damage during usage in General Training, free practice or external use, the archer who used the bow is responsible for contacting the board. In case the damage occurred to misuse, the archer is also responsible for repair costs. In case of normal wear and tear it is highly appreciated that archers who use the material play an active role in repairing it.

7.3 Internal Use

7.3.1 Beginners

Beginners are required to use Club Materials during the Beginners' Course.

7.3.2 General

After the Beginners' Course, Members and Recreationists are allowed to use the Club Materials during training and free practice. In case there are not enough bow and/or arrows available, the bows are distributed on a first come first serve basis.

7.3.3 Costs

During the first 6 months, using club bows and arrows is free of charge. After 6 months a small fee needs to be paid per club evening (now: 0,50 euro). The board and trainers from the SSC can always claim a bow for instruction purposes. In case someone paid a fee for that bow that evening, the fee will be restituted.

7.4 External Use

Members are allowed to borrow Club Material for use in external competitions. When borrowing a fee is required equal to the fee of two evenings for each period between two club evenings. If the bow is not returned before the beginning of the next club evening, a fee for that evening needs to be paid. A deposit of 50 euros needs to be paid, any damage needs to be paid from this deposit. In case damage exceeds the amount of the deposit, the member is still required to pay for the damage.

In case Club Material is needed for a beginners course, the material needs to be returned in good order at the latest at the start of the lesson. In case the material is not in good order or returned too late a fine of 10 euro is to be paid. If no valid reason is provided for not returning the material in good order on time, the board can decide that the Member is no longer allowed to use Club Materials.

8 Accommodation

8.1 Opening Hours

The Accommodation is opened at the regular training times, which are published on the website and communicated by the board in advance. Regular training times are (2019):

Monday	18.00-20.00	Free Practice and Beginners' Courses
	20.00-22.00	General Training (with a trainer)
Wednesday	18.00-20.00	Free Practice and Beginners' Courses
	20.00-22.00	Free Practice

If all the shooting lanes on the range are in use during a Beginners' Course, other Members or Recreationists are not allowed to shoot. The board will communicate the dates of the Beginners' Course to Members and Recreationists.

8.1.1 Entrance

On Wednesday evenings Da Vinci is not allowed to use the front door to enter or exit the Shooting Range, instead you can use the back door. If on any other day the front door can not be used, the Board will clearly communicate this to the Archers.

8.2 Maintenance and Cleaning

Members and Recreationists can be requested to help with maintenance and cleaning of the Accommodation by the board. Maintenance costs will be paid for by the association. If necessary, financial help may be asked for from the SSC.

8.2.1 Small tasks

Members and Recreationists are expected to perform small maintenance, such as throwing out the trash, themselves without board involvement.

8.3 Shooting Range

8.3.1 Entrance Requirements

The Shooting Range can be used by Members and Recreationists. Guests need explicit permission from the board to use the shooting range.

8.3.2 Allowed Materials on the Shooting Range

Only hand bows are allowed on the Shooting Range. Shooting with crossbows, firearms or other weapons is forbidden. When introducing a different kind of bow, approval from the board is required. Only arrows with a smooth point are allowed. Arrows with hunting points and/or protrusions and edges at the tip are not allowed.

8.4 Outdoor Range

The Outdoor Range offers some flexibility around opening hours. If the gates of the Accommodation are open, Members can use the Outdoor Range outside regular opening hours under the following conditions:

1. The Member uses their own material (bow, arrows).
2. The Member is an experienced archer, who is able to hit at least the 30 meter target without problems.
3. The Member needs to be aware of the safety regulations for the Outside Range, as described in Section 1.4, and must comply to these rules. Non compliance will lead to a ban.

The gates are not always open: if the gates are closed it's not possible to use the range. If you would like to train outside often, you can request a gate key from the board, who will review the situation and grant or deny the request, possibly against a fee.

Use of the Outdoor Range outside regular opening hours by Recreationists or Guests is only allowed in the presence of a board member or a Member approved by the board. In all other situations it is absolutely forbidden for a Recreationist or Guest to train on the outdoor range, outside regular training hours.

8.5 Club Room

8.5.1 Usage rules

The Club Room may be used by Members and Recreationists at Da Vinci, as well as by participants of the Beginners' Course, as well as those who have been granted access by the board.

8.5.2 Safety

To prevent holdups at the shooting range, the door to the Club Room will be closed whenever nobody is present, or when archers are present for longer than a minute. The door will only be reopened after knocking, in accordance with the Safety Rules.

8.5.3 Storing personal belongings

Members and Recreationists are permitted to store their archery equipment, such as bows and arrows in the Club Room in spots destined for storage, as decided by the board. These materials are stored without any insurance policy, and are stored at own risk. The board will ensure safety of stored materials on a best effort basis. Stored items must be labeled with some indication of the owners identity. The board may also request the removal of items with a one month notice.

9 Training

9.1 Beginners' Course

9.1.1 Frequency

A Beginners' Course is organized at least twice per year, or more often if the board decides the external interest and resources are sufficient to organize more courses. At least one course will start in the beginning of the academic year and one course will start in the beginning of the calendar year.

9.1.2 Duration

The Beginners' Course consists of 5 classes, which each take 90 minutes. The classes will take place during the times described in Section 8.1 and will be given in 5 consecutive weeks, if possible. In general there will be no lessons on days the TU/e or Fontys is closed, or in exam weeks. If necessary, the board can overrule this.

9.1.3 Fee

Participants of the Beginners' Course are required to pay a fee, which is determined by the GA to be 10 euros (2019). The board can decide that a deposit needs to be paid, now determined to be 10 euros (2019), which will be given back to the beginner if the beginner attended all lessons.

9.1.4 Rules

Beginners have to follow all instructions provided by the Supervisors. Beginners need to have a valid sport card, issued by the SSC. This sports card needs to entitle them to enroll in student sport associations.

9.1.5 Trainers at the Beginners' Course

The board will appoint beginners trainers of the Beginners' Course, trainers can be Members or Recreationists that have sufficient skills in archery.

9.2 General Training

9.2.1 Definition

Training provided by trainers appointed by the SSC, currently Jasper van Dalen and Arjen Monden. (2019)

9.2.2 Frequency

The General Training is given once a week for two hours. The trainers and board determine the exact day and time of the training, which can be found in Section 8.1.

9.2.3 Rules

To participate in the General Training, you need to be either a Member or Recreationist, and follow directions from the trainers and the board. If one decides to not join the General Training, one is obliged to not hinder the training.

9.3 Free Practice

During Opening Hours (Section 8.1) when there is no training or activity, you are allowed to shoot freely (called: Free Practice). The board may limit the free practice hours in times of expected low participation, or if activities need to be scheduled during that time.

To join the Free Practice you need to be either a Member or Recreationist, and follow directions from the board. You'll also need to be able to perform archery without extensive supervision in a safe way (Experienced Archer). The board and trainers can decide to allow Guests to participate in the free practice.

10 Competitions and Activities

10.1 General

All internal competitions and activities are considered to be a training. Both Members and Recreationists can participate. Additional regulations for competitions are described in the Contest Rules.

10.2 Internal Competitions

The board is required to organize the following internal competitions:

1. **Ladder competition:** During every academic year a ladder competition is held, open to all Members and Recreationists.
2. **Koningsschieten:** Koningsschieten is held in the week of the founding of Da Vinci, as close as possible to the 2nd of February.

10.3 External Competitions

10.3.1 Yearly NHB competitions

The NHB organizes two yearly competitions, bondscompetities, one on 18 meters and one on 25 meters. Each competition consist of a number of matches in the region (regiocompetitie), rayon and national. Da Vinci Members can participate in these competitions both individual as in teams. The board is responsible to notify Members that they can participate, the board is also responsible for subscribing Members and teams. In case Members participate in one of these competitions, the board will publish competition dates on the website. During the whole competition members are required to wear the club clothing, as described in Section 2.3.

10.3.2 Other competitions

The board should relay invitations to other competitions and publish dates. The board may organize that a group of members participates in such a competition.
